All levels

Wednesday, 5:30 - 8:30 p.m.

Kennedy Room

**#38501 - Quilting/Finishing-HOME MACHINE**

Picture this: you've completed your art quilt top, and you are ready to quilt it. Your palms are sweating and you now feel challenged to find the quilting designs that will work best with your overall design. After this class, you will finally have options. Grace will discuss and show you numerous examples of background quilting, as well as a number of quilting designs for focal points and landscape quilting. You will practice on quilt sandwiches to allow you to find your rhythm without assistance or a stitch regulator. Grace will discuss thread types, tension, finishing, starting and ending threads professionally, blocking, and many helpful hints for quilting your beautiful works of art.
