**Kathy McNeil**

Beginner

Wednesday 9:00 a.m. - 4:00 p.m.

Room #204AB

**#13102-W - Appliqué**

Join award-winning quilt artist Kathy McNeil to construct a show-stopping heron quilt. Choose to fuse or turn under your edges with the new easy Appliquick® method. You will be amazed at how easy finished edges can be. Use multiple prints to add dimension, depth, and a realistic look. Your beautiful birds will be made as free objects that will be ready to place on the background scene or block at home. We will end with a discussion on how to finish your project.
