

Appliqué the Easy Way
Kathy McNeil

Beginner

Friday 9:00 a.m. - 12:00 p.m.

Room #204AB

#13507 - Appliqué

Let these adorable little owls teach you how easy appliqué can be. Kathy will show you how to use the new Apliquick® method for turning your edges over Apliquick interfacing and leave the interfacing in place to create extra loft and dimension to all your appliqué shapes. Then you will learn how to enhance the visual impact with embroidery and quilting designs. Each bird is created as a separate unit, so you can learn these easy techniques and work at your own pace. Let Kathy totally change your views on appliqué by showing you how easy it can be!
