

**Quilting Caveman Style:
Improvisational Patchwork**

Ricky Tims

All levels

Wednesday 1:00 - 4:00 p.m.

Room #102C

#17502 - Piecing

In this fun and inspiring class, students will learn the tips and tricks behind the technique of working without templates, pattern-measuring, or quarter-inch seams. With Ricky's help, you will explore many variations that will inspire you to come up with your own possibilities. Workmanship is not thrown away, but we will toss aside notions put upon us by the quilt police! Join Ricky for an afternoon of fun and freedom!
