

**Simple Free-Motion Trees
on Your Home Machine**

Bonnie Langenfeld

Beginner, Intermediate

Wednesday 1:00 - 4:00 p.m.

Room #101C

#18502 - Quilting/Finishing-Home Machine

Spend the afternoon with Bonnie and learn how to use free-motion stitching to create beautiful realistic trees. The key to realism is using multiple colors of thread, along with free-motion zigzag and straight stitching. You'll learn how to create deciduous, evergreen, and palm trees to enhance your projects, then take home your samples for reference on your next free-motion quilting endeavor. You'll even leave with notes right on the sample so you're ready to tackle the next idea you have!
