

Fearless Feathers on the Longarm
Margaret Solomon Gunn

Beginner

Friday 9:00 a.m. - 12:00 p.m.

Room #102AB

#18509 - Quilting/Finishing-Longarm

Spend the morning with Margaret and let her show you how simple feathers can be! This class is geared towards quilters who are new to stitching feathers and those who wish to improve their confidence in quilting feathers. Margaret will start at the beginning, teaching proper feathering technique. Then, you will add a variety of different feather "customizations," including variations to the spines and the feather fronds to tailor feathers to personal taste or the character of a quilt. You will be amazed at how your feathers improve in a very short time!
