

EQ8: The Basics
Jessica VanDenburgh
All levels
Friday 1:00 - 4:00 p.m.
Room #204AB
#19501 - Quilting Technology

So you bought EQ8 and downloaded it to your computer. Now what? Join Jessica to learn the basics of this wonderful program. She will show you how to use the included libraries, how to use your drawing blocks, the best methods for designing quilts, and even how to import fabrics straight to your computer. You'll love Jessica's easygoing and fun teaching approach. Come see what all the fuss is about! Don't miss your chance to learn how to use EQ8 in this laid-back, no-pressure class.

Supplies:

Please bring the following items to class:

- Notebook
- Pen and pencil
- Laptop (PC or Mac) with EQ8 installed, activated, and validated. Validation must be current, meaning student has opened program on the laptop brought to class while on the internet. This is a quick procedure that does not require more than a minute online to complete. **This MUST be done before class.**
- Laptop power cord
- Computer mouse (The touch pad on your laptop will work, but having an external mouse makes drawing much easier.)
- Extra batteries for your mouse, if wireless
- Mouse pad
