#25502 - Color and Design

The devil is in the details! Have you ever looked at a quilt and seen a new element of the design each time you looked at it? The closer someone gets to your quilt, the more there should be for them to see. Karen will share several detail techniques that, when added to your quilts, will delight the viewer every time. You'll experiment with fusibles, threads, embellishments, and more to take your quilt to the next level!
