Let Deb teach you the secrets of this fantastic wall quilt that incorporates both Flying Geese and Migrating Geese in its design. The class covers the following techniques: Fast Flying Geese with the Wing Clipper I tool, Migrating Geese, and an introduction to paper foundation piecing. You'll be amazed by what you can accomplish with Deb's tricks! The project requires some precision cutting and piecing, so it is best suited to those with strong intermediate skills and beyond.
