

**Calm Seas Quilt:**  
**A Colorful Spin on the Storm at Sea Block**

Michelle's design puts a modern spin on the typical Storm at Sea quilt layout. Michelle uses twelve gradating colors (six colors in two different tones) to give this project a calm, smooth feeling. If selecting the throw or double size, this quilt works great with solid, tone-on-tone, or batik fabrics. If selecting the king, consider some large prints or florals! The pattern includes three size options, and you will be amazed how easily this quilt comes together with the right tools!
