

Country Fair Quilt: A Twist on Tradition

Deb Tucker

Beginner, Intermediate

Friday, 9:00 a.m. - 4:00 p.m.

Heritage Ballroom B

#27110 - Piecing

My Country Fair quilt is a beautiful scrap project made with a modified Carpenter's Wheel block. It is made from Flying Geese and Diamond Square units, both of which can be made easily and accurately with two fantastic Studio 180 Design tools. The Wing Clipper I and the Square Squared build in success for every level of quilter. Each student will learn the construction processes of both tools while making blocks during class time. Many hints and tips for machine piecing will be covered in this class that is easy enough for beginners but interesting enough for veterans. Spend the day with Deb and look at piecing in a new way!
