

**Sparkle to the 9ths Quilt:
Use Your Fat Quarters**

Michelle designed this quilt combining two of her favorite quilt blocks: the Rambler and V Star. This quilt literally sparkles! If you collect or love fat quarters, this is the quilt to make. It makes fabulous usage of fat quarters, and it is perfect for any color background. For the most sparkle, go with a high contrast between your background fabric and fat quarters. Michelle used a green accent fabric throughout her chain; you can select any color, but try to use your accent color minimally within the fat quarters so that it pops! You'll have so much fun playing with color and making your fabrics shine in this beautiful quilt.
