#27509 - Piecing

Michelle designed this dazzling quilt for Studio 180 Design. Diamonds in the Sky creates a brilliant four-piece diamond that really radiates, plus a beautiful alternating block that gives this quilt dimension and allows it to shine! Diamonds in the Sky uses (14-20) fat quarters (18" x 22"). The number depends on how much scrappiness you desire. Alternatively, you could use 6" strips or scraps, and this quilt would be dynamite. If you want high contrast, use assorted bright fabrics for your Diamonds and a dark or light background. Learn how to use Deb Tucker's Corner Beam™ as you make this fun quilt. The class will include step-by-step instructions for use of the Corner Beam, as well as tips on matching points and piecing on-point quilts. You'll also learn strip piecing techniques and general machine piecing hints and tips. This quilt shimmers!
