

Miniature Sampler: A Quilt in a Morning Pat Yamin

All levels

Saturday, 9:00 a.m. - 12:00 p.m.

Heritage Ballroom D

#27515 - Piecing

Got a lot of small pieces of fabric that are too good to toss out? Then sign up for Pat's Miniature Sampler quilt class and use those same scraps in blocks made from her Quilter's Miniature Template set. The set includes a half-square, a square, a quarter-square, and 60-degree and 45-degree diamonds, as well as a hexagon. Pat has designed 36 different 4-inch block patterns. All you have to do is cut, sew, and create your own Miniature Sampler Quilt. You might even decide to use just a single pattern and repeat it for a more traditional quilt. In addition to creating these 4-inch blocks, Pat will discuss how to set, border, and finish your wallhanging. This class is definitely a winner; you'll love what you learn and what you leave with.
