

**Rapid Fire LeMoyne Star:  
A Strip-Pieced Wall Quilt  
Michelle Renee Hiatt**

All levels

Saturday, 9:00 a.m. - 12:00 p.m.

Federal AB

**#27516 - Piecing**

Get ready for a great new method for constructing traditional LeMoyne Star blocks. Students will use strip piecing techniques and oversized units for easy trimming and no Y seams. Deb Tucker's Rapid Fire LeMoyne Star tool is designed to give the choice of ten different block sizes that range from 3" to 12" when finished. The class project is a sampler of all the available size options, so students will get a chance to try them all and will end up with a marvelous wall quilt. Please be prepared by having strips precut and ready to use.
