#28108-F - Quilting/Finishing-HOME MACHINE

Spend the day quilting on a home machine with Bethanne! Traditional free-motion background fillers are a wonderful starting point, but what happens when you let yourself be influenced by natural patterns, macro photography, and the art of Zendoodling? Be inspired by Bethanne's fresh take on backgrounds, perfect for filling those big open spaces of more modern quilts, in this hands-on class. Work your way through the alphabet of inspiration imagery with dozens of new patterns and go home with a workbook of dozens more.
