So you're not ready for the major leagues when it comes to working with rulers? No worries! Join Lisa in Rulers for Rookies and be ready for three full hours of ruler action. This class is a comprehensive hands-on experience incorporating not only straight edges and circles but some of the other Quilter's Groove rulers as well. Regardless of whether you've never touched a ruler, or just feel that your skills could use a little coaching, this class is for you! Lisa will coach her team of "temporary" rookies to victory while working on the Ohio Star quilt block panel. She will have you working like a pro in no time!
