#28509 - Quilting/Finishing-LONGARM

Freehand feathers go fancy! Adding details, inserts, echoing, and fantasy elements to freehand feathers adds a layer of showy polish that always draws the eye and the applause! Bethanne uses a stress-free non-backtracking style that makes it easy for students to focus on going from blah to beautiful. These fancy feathers are the over-the-top feather in a custom quilter's cap. Intermediate free-hand students will learn dozens of fancy feathers and leave class with Bethanne's Jellyfish wallhanging pattern to try out their new skills on.
