

**Strata Quilts: Layer It
Up With Curved Piecing**
Scott Murkin

Intermediate, Advanced
 Thursday, 9:00 a.m. - 4:00 p.m.
 Madison Room
#37115t - Piecing

Curved piecing adds pizzazz to any work! Learn to piece on the curve without a template. You'll be amazed by how curves can create the illusion of layers and depth in your quilts. You will learn the technique for cutting and sewing these units, and Scott will discuss multiple setting options as well as alternative uses for this fun and addictive technique. These quilts are beautiful, unique, and so much fun to make.

Supplies:

Please bring the following items to class:

- **Basic Sewing Supplies**
- (24) 8" squares
 - Try to get a range of values and a variety of visual textures or print styles. It is fine to repeat some of the fabrics.
- 6" square ruler

Stationary sewing machines are provided by Elna.

Irons are provided by Reliable.

Rotary cutters, mats, and 6" x 24" rulers are provided by AccuQuilt®.
