Let's have fun with scraps! Join Michele for a fun evening and use all those scraps that you have hidden away and don't know what to do with. You'll learn a stress-free way of creating this fabulous scrappy Log Cabin block. Michele will help you unleash your creativity to piece your own block using whatever colors inspire you; no two blocks will be the same. You'll create 12" or 15" finished square blocks that can go together to make whatever quilt size you want. This is a class not to be missed.
