

**Kaleidoscope Quilt: Get
Creative With Your Piecing**
Marti Michell

All levels

Saturday, 9:00 a.m. - 12:00 p.m.

Roosevelt II Room

#37531 - Piecing

The Kaleidoscope pattern is easy to make but because of the design possibilities, even advanced quilters will enjoy Kaleidoscope style blocks and variations. Discuss design and color possibilities and sewing techniques; then cut with the Kaleido-Ruler, a tool Marti has designed that gives you the guidelines for cutting all of the triangles in the block. This class gives you the freedom to be creative with your quilt while ensuring you have just the right tools to succeed. Spend the morning with Marti and enjoy this fun and eye-bending class.
