Join Debbie for the evening and get started with English Paper Piecing! Hexies and Honeycombs are great designs for any fabric choice, and they can be modern, traditional, or anywhere in between. Debbie will teach you the basics of English Paper Piecing using paper, "paper pieces," and freezer paper. You'll choose the method and shape that suits you and then get to work on a hand-stitching project you'll be proud of. Come for the evening to learn the old and make it new!
