

Machine Quilting Without Marking
Scott Murkin

All Levels

Wednesday, 9:00 a.m. - 4:00 p.m.

Kennedy Room

**#38102w - Quilting and Finishing -
Home Machine**

Are you ready to take your machine quilting to the next level but hate marking quilt tops? Learn how to increase your productivity and creativity by quilting your tops without the hassle of marking them first. Covering straight-line and free-motion techniques, this class will leave you with plenty of samples for future reference. Some experience with free-motion machine quilting is helpful, but not necessary.

Supplies:

Please Bring the following items to class:

- **Basic Sewing Supplies**
- (3) 18" square cotton fabric sandwiches - fabric top, batting, backing. (These can be pin-basted at the edges, or the edges can be zigzagged.)

Note: It is not recommended to thread baste. The back of the sandwich can be any cotton quilting fabric, and the top should be a solid.

Stationary sewing machines are provided by BERNINA.

Irons are provided by Reliable.

Rotary cutters, mats, and 6" x 24" rulers are provided by AccuQuilt®.
