Van Buren Room

**#38108t - Quilting and Finishing
- Home Machine**

In this workshop, explore the beautiful world of feathers using examples from Sue's book *Fabulous Feathers and Fillers*. Sue has used the feather design successfully on many of her award-winning quilts. The feather is the ideal design for free-motion quilting on the home sewing machine, and it's easier than you think. Learn techniques to stitch your feathers successfully on practice squares provided by Sue. She'll also teach you fillers to complement your designs. Fall in love with feathers and fillers!
