

Innovative Hand Quilting Cheryl See

Beginner, Intermediate
 Thursday, 9:00 a.m. - 4:00 p.m.
 Lincoln Room

#38111t - Quilting and Finishing - Hand

Learn how to achieve the look of a longarm with hand quilting by starting with the basics. Students will start with the quilter's knot and rocking the needle to make areas "pop" with trapunto, cording, and quilting that is anything but traditional. You'll even learn how to fill in background areas with free-motion quilting by hand. Learning from this multiple-award-winning quilter will totally change how you look at the art of hand quilting.

Supplies:

Please Bring the following items to class:

- **Basic Sewing Supplies**
- ¾ yd. - fabric for quilt top (Cheryl prefers a gradated fabric)
- ¾ yd. - backing fabric (Cheryl prefers a busy print with a looser weave)
- Blunt-ended scissors or appliqué scissors
- Sharp-point embroidery scissors
- Hand quilting thread in matching, contrasting, and coordinating colors to the quilt top fabric
- Betweens quilt needles
- Needle with eye large enough for yarn
- Yarn that is lighter than the quilt top fabric
- Quilter's safety pins
- Quilting hoop
- 12" square - freezer paper

Note: Mark an 18" square in the center of the fabric for the top to mark the finished size. Do NOT baste the layers of fabric and batting together. There will be simple patterns to choose from for the center trapunto, like a heart or your initial. If you want to use your initial, print it out no larger than 12" in a font that is not too complicated.

Optional:

- Thimble for thumb
- An optional kit is available and includes: S Thomas #10 between needles, needle grabber, spool of Presencia white 40wt. 3 ply quilting thread, and small Yazzii zippered pouch with clear front in assorted colors. **Optional Kit Fee: \$16**
- Thimble Lady thimbles, **\$40** in all sizes (Contact Cheryl by March 29th at cseesquilts@aol.com to preorder)

Irons are provided by Reliable. Rotary cutters, mats, and 6" x 24" rulers are provided by AccuQuilt®.
