

Free-Motion Quilting Without Marking

Robbi Joy Eklow

Beginner, Intermediate

Thursday, 9:00 a.m. - 4:00 p.m.

Roosevelt I Room

**#38116t - Quilting and Finishing -
Home Machine**

Robbi has only one rule about free-motion quilting: the lines should be smooth. They can cross and they can wiggle, but they should be smooth. The key to smooth quilting is to relax and express yourself. If you can doodle, you can do artful free-motion quilting. This is a great class if you've been fearful of free-motion quilting, if you need a bit of help getting started, or if you just want to learn some new tricks! Skills learned here can be used on both sit-down and longarm machines. Don't miss your chance to conquer free-motion!
