Friday, 9:00 a.m. - 4:00 p.m.

Madison Room

**#38119f - Quilting and Finishing -
Home Machine**

With the many different styles of quilts being constructed by today's quilters, it only makes sense to have an arsenal of finishing techniques at your disposal. Learn how to select the best edge technique to make your creation sparkle and last for a lifetime, as well as tips and techniques to take the stress out. Traditional double-fold binding will be covered, along with facings, binding done all by machine, irregular edges, and all kinds of piping and other inserts. This is the class you need to take your quilts to the next level. Every quilt needs a finish - why not make it great?

Supplies:

Please Bring the following items to class:

- **[Basic Sewing Supplies](#)**
- (2) layered and quilted squares 18" x 18" with edges unfinished
- (4) strips of fabric 2½" wide, cut selvage-to-selvage, that complement your quilted squares
- (4) 2½" squares of the same fabric as the strips
