

Divide and Design: Quilting Inspirations

Truman Room

#38512 - Quilting and Finishing

We have all used the tried-and-true method of standing and staring to design our quilting. While this sometimes works, there is a much easier and quicker method of designing. Come join Lisa as she shares her Divide and Design technique and learn how to translate that to your quilts! Students will turn a simple pieced top (provided) into a one-of-a-kind quilt! After taking this design class, you'll never be stumped at the quilting phase again!
