Thursday, 1:00 - 4:00 p.m.

Adams I and II Room

#38514 - Quilting and Finishing - Longarm

In this class, you will learn how Judi uses simple shapes like the square and triangle to create awe-inspiring modern and traditional quilting motifs. Find out when it is appropriate to use shapes in your quilting and what details will work within the designs. You will gain confidence as you learn to quilt by marking out your designs first, then quilt with your straight ruler to make your quilting perfect! Judi will also share her project Just Call Me Modern, a recently published design that showcases quilting with shapes. You will come out of this class ready to tackle straight ruler quilting and quilting with shapes to give your quilts a brand-new look!
