#38527 - Quilting and Finishing - Hand

Have you admired the beauty of hand quilting but felt intimidated by all that stitching? Fear no more! In this medley, you'll learn three different "fast" hand quilting stitches, plus which needle to use, which thread works best, and how to select and use the right stencil. Big-stitch quilting gives you full control of your design and quilting process, and the finished product is so beautiful! Join Gyleen and learn this skill you'll want to use again and again. At the end of the day, you will leave with your own personal hand stitch.
