

**Emerging Leaves: Fuse Your Own Collage**  
**Frieda Anderson**

All levels

Saturday, 9:00 a.m. - 12:00 p.m.

Museum S1

**#53508 - Appliqué**

From the first buds of spring to that last dying leaf on the tree, we all respond to the beauty of leaves. Their vast colors, shapes, varieties, and sizes inspire and delight us. In this workshop, participants will cut several leaf shapes, then collage them onto fabric dyed in a beautiful seasonal colorway. The collage is simple, yet elegant, and is naturally suited for the quiet reflection of passing seasons. The specially hand-dyed, 100% cotton and silk fabrics are provided in a kit, so only a few supplies are necessary to enjoy the experience.
