Wednesday, 5:00 - 8:00 p.m.

Truman Room

#55504 - Color/Design

Join Trish for a fun evening and learn how to create a fabric collage while constructing a simple and easy pear. Find out what makes an image a candidate for a collage, how to break the photo out into segments, and how to choose fabrics that work. Then learn Trish's user-friendly and flexible method for placing the pieces. If you've been curious as to how collage quilts go from photo to fiber art, this is the class for you!
