

**Artful Log Cabin Quilt:  
 From Traditional to Abstract  
 Katie Pasquini Masopust**

All levels

Thursday, 9:00 a.m. - 4:00 p.m.

Kennedy Room

**#57112t - Piecing**

The Log Cabin block is so very versatile. In this class, Katie will guide you as you use the Log Cabin block as the basis for creating linear abstract art quilts. You'll start a painting or photograph, crop that to a strong personal composition, and overlay a grid. Then, Log Cabins made up of the colors found in each unit of the grid will be constructed and put together to make an amazing quilt. Katie will explain composition, variety, color, value, and visual pathways. Come for the day and make something you can be proud of.

Registration for this class includes show admission for Thursday.
