

Free-Motion Quilting Confidence Booster
Catherine Redford

Beginner, Intermediate

Friday, 5:00 - 8:00 p.m.

Roosevelt II Room

#58514 - Quilting/Finishing-HOME MACHINE

Discover the magic of free-motion machine quilting! After drawing your design on paper, you'll put the feed dogs down and begin stitching on premade quilt sandwiches in a relaxed, no-criticism-allowed setting. You'll try lots of different all-over designs to find your personal favorites. Add some feathers for a final flourish. This class is designed to give the beginning or hesitant machine quilter a confidence boost, ready to return home and practice.
