**#58523 - Quilting/Finishing**

It seems that one of the most difficult parts of finishing a quilt is choosing the quilting designs. Many completed tops end up in the closet because of this. In this three hour workshop, Cindy will cover very basic elements of design, and each student will bring one pieced, unquilted top that we will design as a group. This class will open your eyes to the possibilities of designing ANY top! Come spend the morning with Cindy and conquer your trickiest top!
