

Create an Art Quilt... by Fusing!

Lenore Crawford

All levels

Wednesday, 9:00 a.m. - 4:00 p.m.

River Overlook AB

#45101w - Color/Design

In this workshop, students will work on designing a small fused project from one of Lenore's patterns. You will outline the pattern on freezer paper, then transfer it to a background on which the fabric design will be fused with Lenore's easy fusing technique. Lenore will demonstrate how to add fabric painting to your design to add detail and depth. You will be amazed by the art you can create before ever going to the sewing machine!

This full-day class includes show admission for Wednesday.
