

Creating Mini Blended Fabric Collages **Lenore Crawford**

All levels

Thursday, 9:00 a.m. - 4:00 p.m.

River Overlook AB

#45104t - Color/Design

Using 1/2" pieces of fabric and tweezers, students will create a blended design to take home and frame. These designs will have trees that will be enhanced with fabric paints. Lenore will supply all required supplies, including dozens of different fabrics, fabric paints, muslin to fuse the design to, and fabric for creating trees. The finished collage is about 5" x 7" and can be matted on an 8" x 10" mat board and framed. This is a technique you can use again and again, and you'll leave with something you're truly proud of.

This full-day class includes show admission for Thursday.
