

**Inktensify Your Fabric: Adding  
Color with Inktense Pencils**

**Trish Stuart**

All levels

Thursday, 9:00 a.m. - 4:00 p.m.

Lincoln Room

**#55108t - Color/Design**

Art of any kind is flat until you add the shading. Knowing how and where to shade and highlight is critical in creating beautiful images. Use Inktense Pencils on fabric, activating them with a medium as you watch your coloring come alive! This method is flexible, durable, and permanent and you can enhance your quilts, create a standalone work, or use the method on home decór or garments. Registration for this class includes show admission for Thursday.
