

## Neighborhood Quilt: Fuse and Thread Sketch Houses

**Trish Stuart**

All Levels

Friday, 9:00 a.m. - 4:00 p.m.

Roosevelt II Room

**#55109f - Color/Design**

Play with creating a fusible appliqué house on a hill with precut fuse backed elements. After you create your unique image, add detailing with embellishing elements, fibers, and thread sketching. Use decorative stitching to add more interest. This is a very creative and fun process, and everyone will have an image unique to their own vision. This workshop is a great way to grow in creativity while practicing new skills.

Registration for this class includes show admission for Friday.
