Use ten basic stitches to create freeform organic shapes. The hand-dyed cards are postcard size and ready to be framed or inserted into a greeting card. From shrubs and grasses to seaweed and corals, these stitches are a great addition to every stitch project. The ten stitches are: fishbone, flat stitch, fly stitch, seed pod, couching, french knot, split ribbon, raised straight stitch, running stitch, Romanian couching, and satin stitch. Come expand your embroidery stitch library and leave with a beautiful project!
