#57505 - Piecing

Is paper piecing on your bucket list? Sign up for Anna's Starflake so you check that off! It is easy to paper piece, and you'll achieve beautiful star points. Paper piecing offers the most precise piecing; all you have to do is stitch on the dashed line! During class time, Nancy will offer a bonus: she will show you how to take a unit from the block to create different blocks and create a different border, which you can use in your future projects. Don't miss this fun and information-packed class!
