#57506 - Piecing

Sea Salt is a beautiful traditional wall quilt - and believe it or not, it's made with one block! Linda will teach you how to use color and fabric placement to create a stunning piece with only one block. You'll learn how to make your piecing ridiculously quick and accurate using one of her favorite piecing notions. One evening with Linda and you'll leave with brand-new techniques, a ton of laughs, and a project you can be proud of.
