#58112t - Quilting/Finishing-HOME MACHINE

Plan fresh ideas for machine quilting by stitching a mini premarked wholecloth quilt. Refresh your ideas for traditional or modern quilts, and you will find many designs to use on your next quilt, mini or full-size. You'll learn to adapt hand quilting motifs to finish with your machine, and Pat will give you helpful tips along the way. This is a great project to finish as a pillow or small table piece, and you will go home with newfound quilting confidence.

Registration for this class includes show admission for Thursday.
