

**Tickle Me with Feathers!  
 Domestic Machine Quilting  
 Pat Delaney**

Intermediate, Advanced  
 Wednesday, 1:00 - 4:00 p.m.  
 Madison Room

**#58502 - Quilting/Finishing-HOME MACHINE**

You've been waiting to learn how to stitch beautiful feathers! We will begin with a basic feather shape and then see how many variations we can devise. Pat will discuss feathers for all types of quilts, including traditional, modern, and whimsical. Practice makes perfect, and a few tips will take you to the next level. You will fit them into various shapes on your quilts and discuss threads to enhance your feathers. This is a worry-free class that will have you swirling and twirling those plumes like a pro.
