#58504 - Quilting/Finishing

Do you have quilt tops laying around unquilted because you can't figure out what to do with them? In this class, Ebony will talk you through how to select and combine designs, size them appropriately for your space, and audition designs on your quilt top. Bring one of your unfinished quilt tops and let's see if Ebony, plus a room full of like-minded people, can help you get unstuck!
