Adams I and II Room

#58519 - Quilting/Finishing-LONGARM

Make your quilting stand out with these miniaturized designs! Micro quilting adds texture and interest to the background and helps to fill in negative space so your main design pops. Learn how to scale down your free-motion quilting to fit, and get the tips and techniques you need to make your microquilting successful. This class will have you thinking about micro quilting in a whole new way. The possibilities are endless, and you'll love learning techniques to make your quilts truly stand out.
