

3-Day Appraisal Skills Course
Carol Butzke, Carol Elmore, Gerald Roy
All levels
Tuesday - Thursday, 9:00 a.m. - 5:00 p.m.
Monroe BCD
#44301wt - Professional Development

This course is open to anyone interested in becoming a quilt appraiser certified by the American Quilter's Society as well as professional appraisers. Students will receive an introduction to the procedures and practices that are necessary in order to become certified by AQS. This three-day course allows candidates an opportunity to determine their strengths and weaknesses in preparing professional quilt appraisals that meet legal and ethical standards for insurance, sale, and donation purposes. A prerequisite for those who aspire to become certified by AQS, the course is an important step toward understanding the serious nature of appraising, as well as an opportunity to test your knowledge and abilities while learning through the experiences of others. This full-day class includes show admission for Wednesday and Thursday.
