Becky Goldsmith

All Levels

Friday, 8:30 a.m. - 4:00 p.m.

Room 101C

#17105f - Piecing

This eye-catching block is easier to make than it looks. Come to class and learn the techniques that make foundation paper piecing fun! You will work on one 20" x 20" block in class. Choose fabrics and colors for your own block to set the mood you want, either traditional or modern. You can repeat blocks to make a bigger quilt, or you can use this block alone or as a center medallion.

Registration for this class includes show admission for Friday.
