

PC/MAC Firefox:

Open the [Fillable Entry Form](#).

Click on the download icon  on the top right of screen.

You will want to Save File. Select the desired save location on your computer. (Some computers are preset to download all files into the Downloads folder. In this case you will need to rename and save into your desired location.)

Change the file name as your name (e.g. andrea-ray)

Click Save

Fill out the information and save before closing.

Email the completed and saved form, along with digital photos (titled e.g. aray-quilt-title-f or e.g. aray-quilt-title-s) to andrea.ray@americanquilter.com. Subject line: Baltimore Exhibit

PC/MAC Chrome:

Open the [Fillable Entry Form](#).

Click on the download icon  on the top right of screen. (If you do not see this icon, hover just above the form and it will appear.)

You will want to Save File. Select the desired save location on your computer. (Some computers are preset to download all files into the Downloads folder. In this case you will need to rename and save into your desired location.)

Change the file name as your name (e.g. andrea-ray)

Click Save
