## **Dancing Cranes Quilt: No-Fear Appliqué** **Kathy McNeil**

Intermediate, Advanced  
Thursday, 8:30 a.m. - 4:00 p.m.  
Team Room 2  
**#43102t - Appliqué**

This 35" X 42" award-winning quilt would make a lovely addition to any home or office. Learn how to work with complex layered shapes to create form and dimension in your pictorial pieces. Kathy will introduce you to unit appliqué, the Apliquick method of turning edges, and hand or machine appliqué options. You will get tips for designing your own bird patterns, shading with paint crayons, and creating three-dimensional feather effects. Your Cranes will be assembled as a unit, that can be placed on the background later. Spend the day with Kathy and learn how you can make beautiful art quilts by hand or machine with turned-edge appliqué. Registration for this class includes show admission for Thursday.
